

Pashley Phonics Hub Phonics Training 2025-26

Phonics Subject Knowledge

Thursday 8th January 2026 9.00-12.30pm

By the end of this course all delegates will have an excellent understanding of phonics. The course will cover:

- The skills of synthetic phonics including terminology
- Age related expectations in line with national curriculum requirements
- Using phonetically decodable texts effectively
- Embedding phonics throughout the curriculum
- Routines to embed phonics
- Structure of a phonics session
- Resources that work and are simple to make and use
- Assessing and tracking phonics
- Interventions – how to accelerate progress!

£90 (excluding VAT) per delegate, refreshments included. Suitable for TAs and teachers working across Primary and relevant to all schemes.

Bookings close 15/12/25

Important Information:

All central training events will take place at Pashley Down Infant School in Eastbourne. Parking around the area is free on the road but do allow yourself time to park and walk to the school, as it is limited.

We plan to watch live lessons as part of each day, we train with a focus on excellent phonics teaching, grounded on research. This means whatever the scheme is that you use, it will be relevant and useful for you. Outstanding phonics teaching is ... outstanding phonics teaching! We will share proven ways to accelerate progress across Primary using the resources you have in school.

We really look forward to seeing you. Please do get in touch if you would like any further information or to request bespoke support for your school.

Emma Lewis, née Dwyer
