

# Fact or Fantasy - Term 3

What a great term this has been for Year One at Pashley. We loved having so many of you in for the Christmas workshops, thank you for taking the time. Our new project Fact or Fantasy is **History**, where we will be learning all about William the Conqueror, who he was and why the Normans invaded. We will also be exploring how castles changed over time and why. Why not take a walk around Pevensey Castle if you have time and dojo your class teacher with some photographs. In **Science** we will be looking out for signs of winter around our school. Why not take a winter woodland walk and look for winter buds? (See the Woodland Trust Nature Detectives for a handy spotter guide!)

Please come along to our **Maths workshop on Wednesday 14th January** in to find out how to support your child at home to be a confident mathematician. Arrive at 9am in the hall to have a short talk followed by going into

In **R.E.** this term the children will be exploring Judaism, learning about some Jewish beliefs and customs. On **Tuesday 6th January**, please could each child bring in a precious object from home that they could share as part of our R.E. learning. These could be things of sentimental value or those that hold special meaning. This is to help them understand about important objects and items for people of faith. If the items the children are bringing in are easily breakable or incredibly precious, you might want to send in a photograph instead. We will ensure that the children understand about treating everyone's items very carefully and with respect.

In **Maths** this term we are learning about 3D shape. If you have any tins, cones or toilet roll tubes or cereal boxes then we would love to have them! It is really useful for the children to see maths in context.

## Homework

It is the start of a new project for Year One and we would love to decorate our displays with shields and dragons! This is an optional holiday homework and we will award 10 dojos for any homework handed in. We are asking for small 3D dragons or shields so we can attach them to our displays.

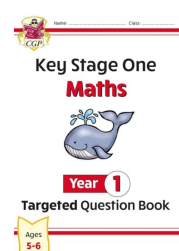

### Spellings

Week 1- **love**  
Week 2- **ask**  
Week 3 - **friend**  
Week 4 - **school**  
Week 5 - **put**  
Week 6 - **push**

### Maths homework

Week 1- **P45**  
Week 2- **P6**  
Week 3 - **P15**  
Week 4 - **P41**  
Week 5 - **P26**  
Week 6 - **P28**

# Comic homework

Week 1

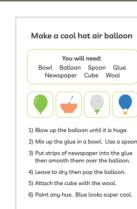

Week 2

Week 3

Week 4

Week 5

No comic

Week 6

## Maths

This term we will be learning a variety of mathematical skills including:

3D shape

Place Value within 50

Addition within 20

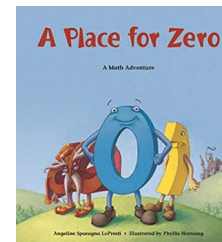

Money

Length and Height

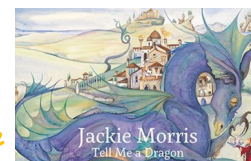

## English

Our text of the term is Tell me a Dragon!

Children will be exploring descriptive language including learning about expanded noun phrases, alliteration and poetry! They might even meet a new mystery guest.

Fantastic stories to read at home with your child!

## Dates for your diary!

- Monday 5th—INSET day
- Tuesday 6th—First day of term 3
- Wednesday 14th January (9am)—Maths workshop for Year One
- Monday 26th January (9am) —Tricky mornings parent workshop
- Tuesday 27th January—TWILIGHT (no ladybirds and no clubs)
- Wednesday 4th February (8.40am)—Parent/carer coffee morning
- Monday 9th February (2.15pm)—Safer internet workshop for Y1 parents
- Wednesday 11th February—Hands on history workshop (children in school as normal)
- Friday 13th February—Last day of term 3
