

Term 1

Welcome to Pashley!

Starting at Pashley:

The children have been amazing over the last couple of weeks and we are enjoying getting to know them.

We have started thinking about our feelings and experiences starting school. We are reading 'When a Dragon Goes to School' and will be reading other texts about feelings over the term.

Bikeability

This term all the children will have the opportunity to take part in Bikeability sessions on the schools balance bikes with trained instructors.

Maths focus:

This term our maths

focus will be subitising.

We will be starting to

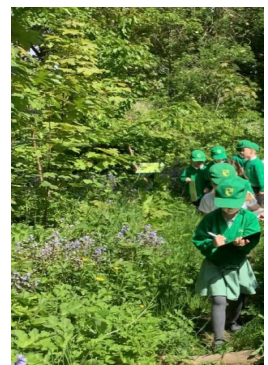

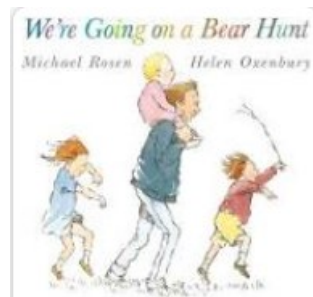

recognise small numbers of objects without counting.

We will also be introducing our number of the week, every **Friday**.

We're going on a Bear Hunt

Later in the term once we have got to know our classrooms, we will be going on a Bear Hunt and visiting the different areas at school as well as reading and learning the story.

50 things to do before your 5

Thank you to all those families who shared some of their 50 things experiences on Tapestry, we have enjoyed looking at them. Each class will now be sending out their explorer bag and bear each week to continue exploring the 50 things to do before your 5 activities. We ask that this is shared on Tapestry so that we can talk about it in class.

Reading

Please remember to record when you read to/ with your child in their diaries. If they read 4 times a week then they will receive 5 dojos!

Tapestry

Now that your child has started school we will be sharing some of their learning and experiences on Tapestry. Please let us know if you have any problems accessing these.

Snack

All the children are offered fruit at snack time. We are also asking families to donate a pack of plain rice cakes or bread sticks that will be shared in class. If you are able to supply a pack, please send them in with your child.

Just a reminder children should only have water in their bottles and not squash. We will refill any bottles of squash with water on arrival. This is to support our commitment towards being a healthy school.

Thank you for your support!

PE day

Thursday

Please can the children come in in their PE kits on these days (white t-shirt and black shorts/leggings/ joggers) with their Pashley jumper/cardigan.
